

OffSec's Global Channel Partner Program

OffSec, the world's most trusted provider of continuous cybersecurity workforce development and learning, empowers value-added resellers, distributors and MSSPs to grow sales by offering our world-renowned skills development and hands-on learning to your customers. Through OffSec's highly-regarded and rigorous infosec training, we enable companies to better recruit, retain and upskill employees through access to our extensive Learning Library and Learn Enterprise (LE) / OffSec Cyber Range (OCR) offerings.

OffSec's brand recognition enables you to quickly jump into conversations with prospective clients. Through our Partner Program partners are also provided a number of benefits, marketing and sales tools that help easily facilitate the lead to cash flow.

Channel partner benefits can include:
